Dear Dr. Schafer:

In August 2010, members of the Missouri Association of County Developmental Disabilities Services (MACDDS) adopted the enclosed resolution. We are requesting that the Missouri Department of Mental Health / Division of Developmental Disabilities give reasonable consideration, and respond to what is outlined in this document.

It is our intent to ensure the delivery of services to Missouri citizens with developmental disabilities is done so in a fair, equitable, efficient and effective manner. As partners we need to pledge best practices in service delivery and communication.

Recent efforts and activities in addressing equity issues are greatly appreciated. However, we must continue to strive for excellence and doing so in partnership is essential.

Thank you for your attention to this resolution and for your service to the citizens of Missouri.

Sincerely,

Jennifer Wooldridge
MACDDS President
