MISSOURI DONATED DENTAL SERVICES (DDS)

Dear Applicant:

In response to your request for more information regarding how to apply for donated dental care, we are pleased to provide the following information and application for the Donated Dental Services Program (DDS), a program of Dental Lifeline Network·Missouri.

ELIGIBILITY: Dentists in Missouri have volunteered to provide comprehensive dental care at no charge to people of all ages who are permanently disabled, elderly or medically at-risk and lack adequate income to pay for needed dental care.

COST: There is generally no cost to qualifying individuals; occasionally, people in a position to pay for part of their care may be encouraged to do so, especially when laboratory work is involved.

APPLICATION PROCEDURES:

Step One
Complete entire application, sign and date last page, and return the enclosed application by mail to the address on the first page of the application. Keep this page for your records.

Step Two
When we receive your application, and you appear to be eligible, your application will be placed on a waitlist in the order your application was received. If you are not eligible, a letter of denial will be sent to you. Depending upon the area you live in, the wait will be several months or can be over a year.

Step Three
When your application comes to the top of the waitlist, DDS will contact you to tentatively determine eligibility.

Step Four
If you have been tentatively determined eligible for the program, DDS will share your information with a volunteer dentist who will determine if she or he would like to see you for a consultation.

Step Five
If a volunteer dentist agrees to a consultation with you, a letter will be mailed to you with the volunteer dentist’s name and phone number to schedule a consultation. Final acceptance into the program will be made only after the consultation and when the specific treatment needs are established by the volunteer dentist.

We are sorry you are experiencing a dental problem and we hope the Donated Dental Services (DDS) program may be of some help.

Sincerely,

Teena Paris, DDS Coordinator

If you understand and agree to the conditions, please sign and date the form at the bottom

I understand that I will need to provide personal information that includes but is not limited to medical, dental, and financial condition.

I give my consent for the DDS coordinator to obtain information from my physician, dentist, contact people I listed, and/or government or private agencies in order to determine my eligibility for the DDS program.

I understand information provided by me or others as noted above may be given only to the volunteers involved in my treatment and will be held confidential.

I give permission for the DDS coordinator to share information about me with one or more volunteer dentists in the DDS program.

In addition, I understand if my disability is AIDS or HIV related, I give the referral coordinator of Dental Lifeline Network-Missouri permission to release information about my AIDS or HIV-related medical condition to one or more volunteer dentists in the DDS program and hold Dental Lifeline Network-Missouri harmless for doing so. I also understand that I have a right to revoke this consent at any time except to the extent that the person who is to make the disclosure has already acted in reliance on it. Furthermore, this consent will expire by ______ or upon ________.

I realize that application to the DDS program does not assure I will be referred for an examination or that I will be accepted as a patient following an examination.

I understand that Dental Lifeline Network-Missouri, which coordinates the DDS program, will determine whether I am eligible for the program and, if so, will seek to refer me to a participating volunteer dentist. I further understand that the dentist, not the organization, is solely responsible for diagnosis and any possible treatment that I might receive for my dental needs.

I understand that the dentist(s) have volunteered to treat my existing dental condition only and are not obligated to provide donated care in the future or to maintain me as a patient.

I understand that a volunteer dentist in the DDS program may discontinue providing services to me at any time upon reasonable notice provided to me. I understand that, after receiving such notice, I am responsible for obtaining the services of an alternate dentist. I also understand that the Dental Lifeline Network-Missouri has no responsibility to assist me in obtaining the services of an alternate dentist.

I understand the importance of keeping all scheduled appointments. Failure to do so, without at least 24 hour notice to the dentist, can and will disqualify me from obtaining further treatment through the program.

To the best of my knowledge, the information provided on this form is a full and accurate disclosure of my current physical, medical, and financial status.
